

A handwriting practice sheet with 10 vertical columns. The first 9 columns are for tracing, each containing a dashed vertical line. The 10th column is for independent practice, containing 10 sets of horizontal dashed lines for tracing.A black and white geometric pattern. It features a central vertical axis. Along this axis, there are several downward-pointing chevrons (V-shapes). Each chevron is formed by two solid black lines meeting at a point. The spaces between these solid lines are filled with dashed lines. The pattern is symmetrical and repeats vertically, creating a rhythmic, textured effect. The overall composition is minimalist and architectural.
